

MY GIFT TO YOU...

Dear _____,

I was going to get you a _____ but INSTEAD I donated in your name to Inua Partners in Hope. Thanks to you a family can grow a backyard vegetable garden, providing much needed food and stability.

Doesn't that feel good? You are helping transform the life of youth in Kenya. What better gift could there be than that?!!!

Peace, Love and Generosity,

Your \$50 donation will be used by Inua in the most impactful way possible. Thank you so much for your gift.
