

# MY GIFT TO YOU...

Dear \_\_\_\_\_,

I was going to get you a \_\_\_\_\_ but INSTEAD I donated in your name to Inua Partners in Hope. Thanks to you orphaned siblings might afford the required school uniforms and fees for an education.

Doesn't that feel good? You are helping transform the life of youth in Kenya. What better gift could there be than that?!!!

Peace, Love and Generosity,

Your \$100 donation will be used by Inua in the most impactful way possible. Thank you so much for your gift.
